

# BOMB THREAT RESPONSE

## PLANNING TOOL

### SECTION 4: WALK THROUGH THE RESPONSE PROCESS

This chart summarizes the basic phases of the response process. Click on boxes that highlight to review the steps in that phase.

To read the chart, begin with the green path. Branch off to yellow if you searched first, blue if you evacuated first, or red if a suspicious item was found. Then, follow green or the corresponding color to your first Search or Evacuate decision.
