Employee Turnover

According to the U.S. Chamber of Commerce, employee turnover costs a business millions of dollars every year. The average cost of replacing an employee is 33% of their annual salary.

False Applications

Over the past year, 13% of workplace violence incidents were due to false applications. This number is expected to increase due to the tight job market.

Workplace Violence

There are 6 million threats of violence against employees each year, and 2 million workplace assaults occur annually.

Problems You Face Daily

- Workplace violence due to false applications
- 33% of employee turnover costs

Employment Background Checks

Employees can minimize their exposure to claims by conducting thorough background checks on applicants.
