**Look for the Following Clues:**

- Evidence of inability to move or leave job
- Bruises or other signs of physical abuse
- Fear or depression
- Not speaking on own behalf and/or non-English speaking
- No passport or other forms of identification or documentation

Side Two:

Asking the right questions will help you determine if the person in front of you is a victim of trafficking who needs your help.

**Key Questions to Ask:**

- What type of work do you do?
- Are you being paid?
- Can you leave your job if you want to?
- Can you come and go as you please?
- Have you or your family been threatened?
- What are your working and living conditions like?
- Where do you sleep and eat?
- Do you have to ask permission to eat/sleep/go to the bathroom?
- Are there locks on your doors/windows so you cannot get out?
- Has your identification or documentation been taken from you?
